To Whom it may Concern;

My Name is Otha Sanders, I am a retired Police Officer.

I have been subpoenaed by Thomas Van Jr. The Subpoena came through the mail in which my wife signed for an envelope.

I was not home at the time the mail arrived. My wife was not given a copy of the signed receipt and was not told that the recipient has to sign and receive the mail.

I made 20 attempts to reach Mr. Van by phone and 6 attempts by texts. This was done to find out why I was needed for court. I am not listed as a defendant in the subpoena. Mr. Van has avoided my calls and texts, and one of my texts

I even left my name & phone number. I expressed that I have limited mileage that I am able to drive and texted him about transportation.

I work a part-time job and if I miss any time I do not receive pay. This is a lot for me to give up for someone that served me with a subpoena and refuse to take my calls & texts.

I am pleading with the courts to quash this immediately. Thank you for your time
